Dead but dreaming by ramsey campbell reviews,

I'm not sure why it's listed as by Ramsey Campbell (it's an anthology, he's one of the authors). Keith Herber originally published this in 2002, with Kevin Ross editing.

Dead but dreaming, edited by kevin ross and keith

Dead but Dreaming is an entertaining anthology - solid stories, without any duds to mar the ultimate Dark Ones experience. Lord Cthulhu would be so proud.
